ENERGY STAR® - Product Specification: Computers Notebook Port All in one Slate Tablets
Version: 8.0

Chao Yong Long,

Congratulations! Upon review of the testing report and information submitted to Eurofins E&E North America, we have determined the evaluated Laptop AC57 to be compliant with the above referenced program requirements. These models are now qualified by Eurofins E&E to the current ENERGY STAR requirements and may be marketed as ENERGY STAR Qualified.

This product will now be submitted to the Environmental Protection Agency to be added to their Qualified Product List (QPL). According to the ENERGY STAR® product certification scheme, the EPA updates the QPL on a set schedule.

Please remember to inform us of any changes made to the product, so that we can keep your information and qualification status current.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Pitta".
