## 111735 - 00

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 111735 - 00  
**Change Title:** Full Length GPGPU support bracket  
AUPMGPUBR, Single  
PCN 111735-00, Product Material  
Power cable change  
**Date of Publication:** September 11, 2012

## Key Characteristics of the Change:

Product Material

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Oct 2, 2012
---	-------------

## Description of Change to the Customer:

The following change will be made to the Full Length GPGPU support bracket (AUPMGPUBR):

The Power Cable for GP/GPU will be replaced with a revised version, see pictures below.

Existing

New

## **Customer Impact of Change and Recommended Action:**

Intel anticipates no impact to customers; no action is recommended or required.

Intel will attempt to deplete pre-conversion material before shipping post-conversion material but there is a possibility of Intel shipping mixed inventory. Therefore, customers will need to manage and migrate to the post-conversion material as soon as possible.

Milestone dates are estimates and subject to change based on business and operational conditions.

## **Products Affected / Intel Ordering Codes:**
