Description of Change to the Customer:

The Intel® Compute Stick SKUs listed in the products affected table below will have the following changes:

1. The BIOS will be updated from SCCHTAX5.86A.0029 to SCCHTAX5.86A.0037. A complete list of the BIOS changes can be found in the BIOS release notes. The BIOS update and release notes can be found at <http://downloadcenter.intel.com>.
2. The current Windows 10 Home operating system image will be updated to Windows 10 Home Build 1709.

Customer Impact of Change and Recommended Action:

It is recommended that customers evaluate this new BIOS to ensure a smooth transition. This change has been thoroughly evaluated to ensure that there are no quality or reliability implications to our customers. Intel validation of a new board revision does not include testing with older versions of BIOS.

The operating system image update should have no impact for customers.

Milestone dates are estimates and subject to change based on business and operational conditions.

Customer can expect to receive mixed inventory until current inventory levels are depleted.

Please contact your local Intel Field Sales Rep if you have any further questions about these changes.
