

Product Change Notification

111450 - 01

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 111450 - 01
Change Title: Intel® RAID Expander Card RES2SV240
PCN 111450-01, Product Design
Firmware Update
[Reason for Revision: Update change details](#)
Date of Publication: September 19, 2012

Key Characteristics of the Change:

Product Design

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	May 16, 2012
---	--------------

Description of Change to the Customer:

[Reason for Revision: Update change details](#)

The firmware for the Intel® RAID Expander Card RES2SV240 is being updated from Rev. 06 to 11. The latest firmware update package, including release notes, will be available for download from Intel's support website

<http://downloadcenter.intel.com/Default.aspx> prior to this change. Please see software release notes for a list of changes when available.

Below Manufacturing Setting change is being removed from this Product Change Notification (PCN) and will be implemented in next release of the product with Top Assembly (TA) number E95976-003.

"The default setting of the number of drives, which spin up at one time and is controlled by the Intel® RAID Expander Card RES2SV240, is being updated from 8 drives every second to 2 drives every 2 seconds. This change can only be implemented at the Intel factory and not by the user and improves/lowers power consumption when the system is powered on."

Customer Impact of Change and Recommended Action:

Intel does not foresee any adverse customer impact from these changes. Intel recommends that the customer perform a standard level of evaluation as updated product become available.

Products Affected / Intel Ordering Codes:

Product Code	MM#	Pre Change TA	Pre Change PBA	Post Change TA	Post Change PBA
RES2SV240	908137	E95976-001	E91267-201	E95976-002	E91267-202
RES2SV240NC	915431	E95976-001	E91267-201	E95976-002	E91267-202
