Product Change Notification

Change Notification #: 104971 - 00
Change Title: Intel® NetStructure™ SS7SG430xxx Product Family, PCN 104971-00, PD, Product Discontinuance caused by TSRLT2 Langley - TU Carrier Grade Server going EOL
Date of Publication: April 01, 2005

Type of Change Notification:
PD - (Product Discontinuance)

Key Characteristics of the Change:
Product Discontinuance

Forecasted Key Milestones:

Product Discontinuance Program Support Begins:	Apr 01, 2005
Last Product Discontinuance Order Date:	Oct 29, 2005
Last Product Discontinuance Shipment Date:	Dec 31, 2005

Description of Change to the Customer:

Discontinuance of Intel® NetStructure™ SS7SG430xxx product families. The retired SS7SG430xxxx product family have form, fit and function replacement SS7G21x migration product candidates. Product Codes being retired are listed in the Product Table below.

Customer Impact of Change and Recommended Action:

Migration guides to the SS7G21x products that have been field verified and approved are available. The Migration Guides are located at:
<http://resource.intel.com/telecom/support/ss7/cd/productspecific/index.htm>

An SGW software option (SS7SBG20SGW) is also required with the migration products. The full set of migration products will not be available June 2005.

Please determine your remaining demand for the affected product and place orders in accordance with the key milestones listed.
Last Product Return Date is July 2, 2005. Orders are non-cancelable and non-returnable after July 2, 2005.
End of Support is December 31, 2006

End of Support is defined as:

The date after which the following support services are no longer available:

- Software availability - download

- ADC telephone support - (only available to customers with valid Service Level Agreement)
- ADC's active reproduction of customer-reported problems
- Installation and configuration support
- Technote and Application Note creation and maintenance
- iSM@RT product issue tracking
- PTR entry. Fixes for unresolved PTRs will not be pursued nor released in Point or Service Packages, or in a product revision. All unresolved PTRs must be dispositioned by the BU with agreement by Worldwide MCPD Services.

The End of Support date does not impact the terms of the stated product warranty that governs product repair service.

Contact your sales representative for additional migration information and/or any issues you may have with this Product Discontinuance Plan.

Migration Plan

The following SS7 products are recommended as migration products.
