

Product Change Notification

109384 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 109384 - 00
Change Title: Intel PRO/100 S Desktop Adapters;
PILA8460C3 MM#832696, PILA8460C3BLK
MM#870508 & PILA8460C3J MM#838010
(MacKenzie) and
Intel PRO/100 M Desktop Adapters;
PILA8460M MM#854613 &
PILA8460MBLK20 MM#847578 (Dayville)

PCN 109384-00

Transport Media

**Add Leaded Disclaimer Flyer for European
Regulatory Requirements, New Clamshell
and New Box**

Date of Publication: May 12, 2009

Key Characteristics of the Change:

Transport Media

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	May 28, 2009
---	--------------

Description of Change to the Customer:

The Intel PRO/100 S Desktop Adapters; PILA8460C3 MM#832696, PILA8460C3BLK MM#870508 & PILA8460C3J MM#838010 (MacKenzie) and Intel PRO/100 M Desktop Adapters; PILA8460M MM#854613 & PILA8460MBLK20 MM#847578 (Dayville) will undergo the following changes:

European Leaded Disclaimer Flyer:

Intel will add a European Leaded Disclaimer Flyer to these products (except PILA8460C3J, MacKenzie Japan sku) to comply with the European Union's RoHS directive for products which contain lead in solder.

The directive reads as follows:

Important Information

This product contains lead in solder. To insure compliance with the European Union's (EU) RoHS Directive this product may only be used in the following applications:

- Products that will be assembled and shipped to countries outside of the EU.
- Products that were put in service prior to July 1, 2006
- Products that can use the lead in solder exemption – Servers, Storage and Storage array systems, network infrastructure equipment for switching, signaling transmission as well as network management for telecommunications

Cardboard Recycle Logo Label change:

Intel will remove the cardboard recycle Label from all shipping boxes and replace with a pre-printed version on the box. This will eliminate the need for extra labels to be placed on boxes at our manufacturing facilities. A picture of this recycle label is shown below.

Clamshell change:

Intel has optimized the clamshell to fit our PCIe networking adapters and to remove un-used features. The clamshells are manufactured with a denser material and will include the update Intel logo. This clamshell change affects all products except the PILA8460C3, PILA8460C3J and PILA8460M, which is noted in the affected products table within this PCN notification.

The TA (top assembly) number will roll as noted with the affected products table within this PCN notification.

Customer Impact of Change and Recommended Action:

Customers can expect to receive mixed inventory until current inventory levels are depleted.

Intel anticipates no impact to customers.

Products Affected / Intel Ordering Codes:

Product Name	Product Code	MM#	Old TA#	New TA#
