

Product Change Notification

109488 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 109488 - 00
Change Title: Intel® Embedded Processors and Chipsets, PCN 109488-00, Label, Country of Origin (COO) Label/Mark Changing from China to Costa Rica
Date of Publication: August 21, 2009

Key Characteristics of the Change:

Label

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Sep 21, 2009
---	--------------

Description of Change to the Customer:

In order to ensure a continuous supply of the Intel® Embedded Processors and Chipsets listed in the Products Affected Table below, these products will be transferring to another Intel qualified assembly site. The new site is located in Costa Rica. Due to this change, the "Assembled In (Country)" on the Intermediate Box Label (I-box), see example below, will change from China to Costa Rica. If the Country of Origin (COO) identification is marked on the product, this will also change from China to Costa Rica. All material and equipment will remain the same.

Example: Intermediate Box Label (I-box) with COO identifier circled

Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers for this change. Customers may see products from either assembly site until current inventory is depleted. Customers may want to notify their receiving department of the change in Country of Origin marking.
