

# Product Change Notification

## 109209 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 109209 - 00  
**Change Title:** Intel® Core™2 Duo Processor ULV U7500 (Napa Refresh & Santa Rosa), PCN 109209-00, Product Support, Transitioning from Intel Architecture to Embedded Architecture  
**Date of Publication:** March 06, 2009

## Key Characteristics of the Change:

Product Support

## Forecasted Key Milestones:

|  | <b>Intel® Core™2 Duo Processor ULV U7500</b> | <b>Embedded Intel Architecture Customers</b> |
|--|--|--|
| <b>Date Product Support Change Becomes Effective:</b>                                      | Mar 06, 2009                                 | Not Applicable                               |
| <b>Last Demand Due Date to Local Intel Representative Prior to Product Support Change:</b> | May 08, 2009                                 | Not Applicable                               |
| <b>Orders are Non-Cancelable and Non-Returnable After:</b>                                 | May 08, 2009                                 | Not Applicable                               |
| <b>Last Hot List Date Prior to Product Support Change:</b>                                 | Jun 30, 2009                                 | Not Applicable                               |
| <b>Last Order Date Prior to Product Support Change:</b>                                    | Jul 10, 2009                                 | Not Applicable                               |
| <b>Last Shipment Date Prior to Product Support Change:</b>                                 | Sept 10, 2010                                | Not Applicable                               |

## Description of Change to the Customer:

No change for Embedded Intel Architecture customers.

Intel support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to the Embedded and Communications Group for the continued support of Embedded Intel Architecture customers. The Embedded Intel Architecture terms, conditions, and pricing will go into effect for all customers after the "Last Order Date Prior to Product Support Change" listed above. Please contact your Embedded Intel Architecture sales representative if you have any questions regarding this change

## Customer Impact of Change and Recommended Action:

There is no expected impact to Embedded Intel Architecture customers.

For Intel Architecture customers please determine your remaining demand prior to the product support change and place your last orders in accordance with the "Key Milestones" listed above. The products listed on the "Products Affected/Intel Ordering Codes" table below will remain on Intel's Corporate Commit Process.

Once product support for CPU / Chipset is officially transferred to the Embedded Intel Architecture Communications Group, all discounts approved prior to "Date Product Support Change Becomes Effective" will no longer be honored.

## Products Affected / Intel Ordering Codes:

| Marketing Name                  | Processor# | Frequency | Product Code   | S-Spec | MM#    | Stepping |
|---------------------------------|------------|-----------|----------------|--------|--------|----------|
| Intel® Core™2 Duo Processor ULV | U7500      | 1.06 GHz  | LE80537UE0042M | S LV3X | 888491 | M-0      |
| Intel® Core™2 Duo Processor ULV | U7500      | 1.06 GHz  | LE80537UE0042M | S LAUT | 895496 | M-0      |
