Product Change Notification

Change Notification #: 105418 - 00
Change Title: SS7 Protocols, PCN 105418-00, FYI,
Converting from SS7 protocols that are
controlled by a manual licensing process to
those that have an enforced licensing process
Date of Publication: September 1, 2005

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Product Design
Software

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Dec 31, 2005
---	--------------

Description of Change to the Customer:

Converting from SS7 protocols that are controlled by a manual licensing process to those that have enforced licensing process. End user's should encounter no difference as the binary itself is not changing, just the way it is licensed (with the exception of NUP protocol).

End of Support of the product under manual licensing process is December 31, 2005

Customer Impact of Change and Recommended Action:

The products under the manual licensing process will no longer be orderable, downloadable and no longer supported.

End of Support is defined as the date after which the following support services are no longer available:

- Software availability - download and ordering
- Telephone, email and web support for affected product(s)
 - Customers will be directed to migration product
- Active reproduction of customer-reported issues
- Installation and configuration support
- Technote and application note creation and maintenance
- Issue entry and tracking via issue management tool
- Defect entry. Fixes for unresolved defects will not be pursued nor released in Point or Service Packages, or in a product revision.
- No new Feature Requests will be accepted.

The End of Support date does not impact the terms of any stated hardware product warranty that governs product repair service.

Contact your sales representative for any issues you may have with this End of Support Plan.

Products Affected / Intel Ordering Codes:
