Description of Change to the Customer:

Reason for Revision: Product Support Change date pushed to third quarter 2008; all other Forecasted Key Milestones remain the same.

No change for Embedded Intel Architecture customers.

Intel support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to the Embedded and Communications Group for the continued support of Embedded Intel Architecture customers. The Embedded Intel Architecture terms, conditions, and pricing will go into effect for all customers based on the "Date Product Support Change Becomes Effective".

Please contact your Embedded Intel Architecture sales representative if you have any questions regarding this change.

Customer Impact of Change and Recommended Action:

There is no expected impact to Embedded Intel Architecture customers.

For Intel Architecture customers please determine your remaining demand prior to the product support change and place your last orders in accordance with the "Key Milestones" listed above. The products listed on the "Products Affected/Intel Ordering Codes" table below will remain on Intel's Corporate Commit Process until the "Last Order Date Prior to Product Support Change."

Once product support for CPU / Chipset is officially transferred to the Embedded Intel Architecture Communications Group, all discounts approved prior to "Date Product Support Change Becomes Effective" will no longer be honored.
