Description of Change to the Customer:

Reason for Revision: Revising the Milestone verbiage from Product Discontinuance to Product Support verbiage.

No change for Embedded Intel Architecture customers.

Intel® support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to the Embedded and Communications Group for the continued support of Embedded Intel® Architecture customers. The Embedded Intel® Architecture terms, conditions, and pricing will go into effect for all customers after the "Last Shipment Date Prior to Product Support Change" listed above. Please contact your Embedded Intel® Architecture sales representative if you have any questions regarding this change.

Customer Impact of Change and Recommended Action:

There is no expected impact to Embedded Intel Architecture customers.

For Intel Architecture customers please determine your remaining demand prior to the product support change and place your last orders in accordance with the "Key Milestones" listed above. "Last Discontinuance Assurance Prior to Product Support Change:" is the date that customers must submit a sales order or Memorandum of

Understanding (MOU) to hold the discontinued product assurance they have requested. The products listed on the "Products Affected/Intel Ordering Codes" table below will remain on Intel's Corporate Assurance Process until the "Last Order Date Prior to Product Support Change."

Once product support is officially transferred to the Embedded Intel Architecture Communications Group, all discounts approved prior to "Last Shipment Date Prior to Product Support change" will no longer be honored.
