## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Mar 17, 2003
---	--------------

## Description of Change to the Customer:

Intel has qualified a new tray from our current vendor for the products listed below (PBGA540 Lead). The trays will be identical except for the color with the bake temperature remaining the same or better. The existing trays are brown while the new trays will be black in color. There will be no change to the form, fit, or function of the tray. As the trays are recyclable customers can expect to see both the brown and black trays within a given shipment.

## Customer Impact of Change and Recommended Action:

Intel does not anticipate any customer impact with this change and recommends that the customer notify their incoming inspection so they will be aware of the change.
