

Product Change Notification

107826 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 107826 - 01
Change Title: DG965MS, PCN 107826-01, Product Material, Cut in B2 stepping of Marvell PATA chip to improve material supply, Reason for Revision: PCN information updated for customer impact. ECO number added.
Date of Publication: August 27, 2007

Key Characteristics of the Change:

Product Material

Forecasted Key Milestones:

| | |
|---|--------------|
| Date Customer Must be Ready to Receive Post-Conversion Material: | Sep 14, 2007 |
| Date of First Availability of Post-Conversion Material: | Sep 28, 2007 |

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

Reason for Revision: PCN information updated for customer impact. ECO number added.

Stepping change from B1 to B2 on Marvell PATA chip at location EU1PT.

Customer Impact of Change and Recommended Action:

In Microsoft* Windows* XP*, the pre-existing IDE ATA/ATAPI controller driver will re-enumerate automatically due to the Microsoft* Windows* Plug-and-Play* mechanism. The re-enumeration will impact existing operating system image. User interaction is not required during this process. This change has been thoroughly evaluated to ensure that there are no quality, reliability or functional implications to our customers. Intel is not recommending additional qualification of these changes on platforms.

Products Affected / Intel Ordering Codes:

| Pre Change Product Code | Pre Change MM# | Pre Change AA | Post Change AA |
