Product Change Notification

Change Notification #: 105302 - 03
Change Title: SC5300BD2, PCN 105302-03, FYI, Class 2:
Addition of IRAM mark to safety and packaging labels
Date of Publication: December 16, 2005

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Product Design

Forecasted Key Milestones:

Date of First Availability of Post-Conversion Material:	Jan 16, 2006
--	--------------

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

The IRAM product safety mark is being added to the safety label and to the packaging label to meet requirements set by Argentina for shipping products into their country.

Customer Impact of Change and Recommended Action:

Evaluate upon receipt

Products Affected / Intel Ordering Codes:
