

# Product Change Notification

**Change Notification #:** 119570-00

**Change Title:** Select Intel® NUC11 Enthusiast Kit, NUC11PHKi7C  
PCN 119570-00, Product Discontinuance,  
End of Life

**Date of Publication:** May 31, 2023

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

<b>Last Product Discontinuance Order Date</b>	July 30, 2023
<b>Last Product Discontinuance Shipment Date</b>	September 28, 2023

## Description of Change to the Customer:

Intel® NUC11 Enthusiast Kit products listed below will be discontinued on September 28, 2023. Customers wishing to order these products must have final orders placed with Intel by July 30, 2023. Effective September 28, 2023 Intel® will stop shipping the selected Phantom Canyon hardware. All orders placed on or after the Product Discontinuance Announcement date are non-cancelable / non-returnable orders.

## Customer Impact of Change and Recommended Action:

This Product Discontinuance Announcement on the below-listed Intel® NUC family allows Intel customers to take shipments up to September 28, 2023, while supply is available. If you are currently using these order codes, be sure to contact your authorized Intel representative and inform them of your requirements through this time frame.

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
