

Product Change Notification

105716 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 105716 - 00
Change Title: SR1425BK1, PCN 105716-00, FYI, WEEE
Safety Label Added
Date of Publication: December 15, 2005

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Product Marking

Forecasted Key Milestones:

Date of First Availability of Post-Conversion Material:	Jan 08, 2006
--	--------------

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

Change made to add WEEE label to the product for compliance with the new product safety label requirements.

Customer Impact of Change and Recommended Action:

Evaluate upon receipt.

Products Affected / Intel Ordering Codes:
