Product Change Notification

Change Notification #: 108171 - 00
Change Title: Intel Value Solid State Drive,
PCN 108171-00, Product Design, Firmware
Update
Date of Publication: February 20, 2008

Key Characteristics of the Change:
Product Design

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Feb 29, 2008
---	--------------

Description of Change to the Customer:

Intel is upgrading the firmware in all USB-based Intel® Value Solid State Drives. These changes are for incremental improvement, previous firmware is still qualified and valid. Inventory will transition in the factories and will replace older firmware products as inventory moves through.

Customer Impact of Change and Recommended Action:

Since this firmware update is considered minor, Intel anticipates no impact, and qualification is not recommended. Previous firmware is still valid and no inventory quarantine is recommended. Customer should be ready to receive material by the specified date in this PCN, actual material receipt may vary. If transition support is required, please contact the appropriate geo contact listed earlier in this PCN.
