

Product Change Notification

110160-01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 110160-01
Change Title: Intel® Pentium® Processor E5300, PCN 110160-01, Product Support, Transitioning from Intel Architecture to Embedded Architecture, Reason for Revision: Reference verbiage in the Customer Impact of Change section does not match the Key Milestone title
Date of Publication: August 6, 2010

Key Characteristics of the Change:

Product Support

Forecasted Key Milestones:

	Intel® Architecture Customers	Embedded Intel® Architecture Customers
Last Demand Due Date to Local Intel Representative Prior to Product Support Change:	November 5, 2010	Not Applicable
Last Discontinuance Assurance Prior to Product Support Change:	December 3, 2010	Not Applicable
Last Corporate Assurance Product Critical Date Prior to Product Support Change:	February 9, 2011	Not Applicable
Last Order Date Prior to Product Support Change:	February 18, 2011	Not Applicable
Orders are Non-Cancelable and Non-Returnable After:	February 18, 2011	Not Applicable
Last Shipment Date Prior to Product Support Change:	August 19, 2011	Not Applicable

Description of Change to the Customer:

No change for Embedded Intel Architecture customers.

Intel® support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to the Embedded and Communications Group for the continued support of Embedded Intel® Architecture customers. The Embedded Intel® Architecture terms, conditions, and pricing will go into effect for all customers after the "Last Shipment Date Prior to Product Support Change" listed above. Please contact your Embedded Intel® Architecture sales representative if you have any questions regarding this change

Customer Impact of Change and Recommended Action:

Verbiage was change from "Finalize Support Change Assurance" to "Last Discontinuance Assurance Prior to Product Support Change" at the beginning of the third sentence below.

There is no expected impact to Embedded Intel Architecture customers.

For Intel Architecture customers please determine your remaining demand prior to the product support change and place your last orders in accordance with the "Key Milestones" listed above. "Last Discontinuance Assurance Prior to Product Support Change:" is the date that customers must submit a sales order or Memorandum of Understanding (MOU) to hold the discontinued product assurance they have requested. The products listed on the "Products Affected/Intel Ordering Codes" table below will remain on Intel's Corporate Assurance Process until the "Last Order Date Prior to Product Support Change."

Once product support is officially transferred to the Embedded Intel Architecture Communications Group, all discounts approved prior to "Last Shipment Date Prior to Product Support change" will no longer be honored.

Products Affected / Intel Ordering Codes:

External Marketing Name						
Marketing Name	Processor #	Frequency	Product Code	S-Spec	MM#	Stepping
Intel® Pentium® Processor	E5300	2.6 GHz	AT80571PG0642ML	SLGTL	902627	R0
