Product Change Notification

Change Notification #: 104922 - 00
Change Title: SR1400/SR2400, PCN 104922-00, FYI, Class 2; Rail Kit Improvements to fix Compatibility Issues When Installed in Some Rack
Date of Publication: March 10, 2005

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Product Design

Forecasted Key Milestones:

Date of First Availability of Post-Conversion Material:	Mar 25, 2005
--	--------------

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

The SR1400 and SR2400 rail kit has been modified to reduce a swing block height issues when installed into some racks. Modifications: Shortened the plastic swing block finger tab height to increase the clearance between the block and rack cabinet wall.

Customer Impact of Change and Recommended Action:

Intel anticipates no customer impact for this change. Evaluate when available.

Products Affected / Intel Ordering Codes:
