Description of Change to the Customer:

The Intel® Dual Band Wireless-AC 7260, Intel® Dual Band Wireless-N 7260, and Intel® Wireless-N 7260 products listed in the products affected table are undergoing the following label updates:

1. Update Internal Intel site tracking codes in 2D Barcode content.
2. Update Internal Intel tracking code on Disti Label as shown below

Intel may make changes to specifications and product descriptions at any time, without notice. Designers must not rely on the absence or characteristics of any features or instructions marked "reserved" or "undefined". Intel reserves these for future definition and shall have no responsibility whatsoever for conflicts or incompatibilities arising from future changes to them. The information here is subject to change without notice. Do not finalize a design with this information.

The products described in this document may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.
