Product Change Notification

Change Notification #: 106739 - 02
Change Title: Intel NetStructure(R) MPRTM0040 Rear Transition Module, PCN 106739-02, Product Design, Change hard drive mounting bracket to accomodate hard drive heat sinks., Reason for Revision: Added post change Top Assembly number.
Date of Publication: April 16, 2007

Key Characteristics of the Change:
 Product Design

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Apr 24, 2007
---	--------------

Description of Change to the Customer:

Reason for Revision: Added post change Top Assembly number.

Change metal hard drive mounting bracket to the version that accommodates hard drive heat sinks.

Customer Impact of Change and Recommended Action:

- 1) When customers are using a Serial Attached SCSI (SAS) hard drive on the MPRTM0040, heat sinks are recommended to provide improved thermal performance. The hard drive brackets have been modified to accomodate the recommended heat sinks. Customers who wish to procure and install the heat sinks should consult the MPRTM0040 TPS for ordering and installation information.
- 2) No functional impact, no validation recommended.

Customers who have already purchased the MPRTM0040 Rear Transition Module can receive the hard drive mounting bracket free of charge. Please contact your Intel representative if needed.
