

# Product Change Notification

## 103061 - 00

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel® products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel® products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geography location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 103061 - 00  
**Change Title:** D845PEBT2, PCN 103061-00, FFF, Chipset stepping conversion, BIOS update  
**Date of Publication:** January 16, 2003

**Type of Change Notification:**  
FFF - (Form-Fit-Function)

**Key Characteristics of the Change:**  
Product Design

## Forecasted Key Milestones:

<b>Date of First Availability of Post-Conversion Material:</b>	Mar 24, 2003
--	--------------

*The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.*

## Description of Change to the Customer:

1. Convert the 82845PE MCH component from B0 stepping to B1 stepping. This conversion to a different stepping component is needed to ensure component supply availability for manufacturing.
2. Add P06 BIOS to product code LAD845PEBT2S1. Please refer to the BIOS release notes for specific feature information.

## Customer Impact of Change and Recommended Action:

This board change will be detected by the Microsoft\* Windows\* operating system, causing the chipset driver to reload. Customers will need to update their operating system images.

These hardware changes are being thoroughly evaluated to ensure that there are no quality, reliability or functional implications to our customers. DPSD is not recommending additional qualification of these changes on platforms received from Intel.

## Products Affected / Intel Ordering Codes:

### Board Products Table

Affected Product Code	Pre-Change MM#	Post-Change MM#	Pre-Change TA or AA	Post-Change TA or AA
BLKD845PEBT2	849944	849944	C12587-404	C12587-405
BOXD845PEBT2	849952	849952	C12587-404	C12587-405
LAD845PEBT2S1	849458	849458	C10867-403	C10867-404
