

Product Change Notification

104167 - 00

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel® products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel® products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geography location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 104167 - 00
Change Title: REPXA210C1E200, PCN 104167-00, PD, Processor
Date of Publication: June 16, 2004

Type of Change Notification:
PD - (Product Discontinuance)

Key Characteristics of the Change:
Product Discontinuance

Forecasted Key Milestones:

Product Discontinuance Program Support Begins:	Jun 16, 2004
Last Product Discontinuance Order Date:	Sep 16, 2004
Last Product Discontinuance Shipment Date:	Dec 16, 2004

Description of Change to the Customer:

Due to a shift in demand, the REPXA210C1E200 identified in this notification will be discontinued and unavailable for additional orders after the "Last Product Discontinuance Order Date." Please refer to the "Products Affected" table below for the products included in this notification.

Customer Impact of Change and Recommended Action:

Please determine your remaining demand for these products and place your "Last Product Discontinuance Orders" in accordance with the "Key Milestones" listed above.

Options exist for upgrading Intel® PXA210 Processor-based designs to the Intel® PXA255 Processor, Intel® PXA26x Processor & Intel® PXA270 Processor. However, replacement of the Intel® PXA210 processor by one of the alternate processors will require varying degrees of engineering design consideration.

The Intel® PXA255, PXA26x or PXA270 processors are not pin-for-pin replacements for the Intel® PXA210 processor. Contact your Intel representative for upgrade assistance, if necessary.

Refer to Appendix D of the Intel® PXA27x Processor family Design Guide for a list of difference between the Intel® PXA255 Processor and the Intel® PXA270 Processor.
