Description of Change to the Customer:

We would like to inform you of the following change to Intel's server board product line:

Product Discontinuance Notification for Intel Server Board S815EBM1
Intel has successfully launched a new entry-level server board the Intel Entry Server Board S845WD1-E. Sales of this new board already far outpace that of its predecessor in the same category, the Intel Server Board S815EBM1. As a result, Intel has made the decision to discontinue Server Board S815EBM1.

This Product Discontinuance notification for Server Board S815EBM1 allows for order placement from now to November 15, 2002 with delivery to December 31, 2002. If you are currently purchasing the Server Board S815EBM1, please contact your authorized Intel representative and make them aware of your requirements during this time frame. All final purchase orders placed after the September 9, 2002 discontinuance notification for the listed product are non-cancelable and non-returnable.

For customers that have not already transitioned to Server Board S845WD1-E, we invite you to review the improved features that Server Board S845WD1-E offers at <http://www.intel.com/go/serverbuilder>.

Warranty and Support Information

This Product Discontinuance notification does not change warranty or technical support. Intel will continue to provide warranty and technical support for this server board for the duration of its applicable warranty period.

If you have any questions or concerns, please contact your Intel representative.

Sincerely,

EPSD & RPG Product Marketing
