

# Product Change Notification

## 106563 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 106563 - 00  
**Change Title:** Intel® Tunable Laser, TTX19900, PCN 106563-00, Label, Top Assembly Number Change and Bracket Change  
**Date of Publication:** August 03, 2006

## Key Characteristics of the Change:

Label  
Product Material

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Sept 03, 2006
---	---------------

## Description of Change to the Customer:

The brackets which mount the laser butterfly case to the customer heatsink will be modified to eliminate the risk of shorting the printed circuit board to case ground. There is no change to the bracket outline as a result of this change.

This change will be implemented for all subsequent shipments.

## Customer Impact of Change and Recommended Action:

No change in product form, fit or function is expected as a result of these changes. The top assembly number will change on the label

## Products Affected / Intel Ordering Codes:

### System Products Table

Affected Product Code	Pre-Change MM#
TTX199275900N00	879226
TTX199275900N10	879230
TTX1992759AAN00	879227
TTX1992759X0N00	879228

## Reference Documents / Attachments:

**Document:** **Location #:**

Short of TP4 to metal bracket

New Bracket

- One Leg of new bracket is cut out as shown in the photograph

- This will eliminate physical contact of the bracket with TP4
- Eliminate the potential short

### **PCN Revision History:**

**Date of Revision:**  
August 03, 2006
