

Product Change Notification

Change Notification #: 119486-00

Change Title: Gen 3 Intel® Movidius™ S 3800V and 3900V VPUs,
PCN 119486-00, Product Discontinuance,
Product End of Life

Date of Publication: March 10, 2023

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	N/A
Last Product Discontinuance Shipment Date	N/A

Description of Change to the Customer:

The Gen 3 Intel® Movidius™ S VPU SKUs listed in the products affected table have been discontinued.

Customers do not need to do anything as a result of this communication. Consequently, no lead time for the Last Product Order Date nor Last Product Discontinuance Date are needed.

Customer Impact of Change and Recommended Action:

There is nothing customers need to do as a result of this communication. Customers were made aware of the product discontinuance informally outside of this notification. This notification is for official records only.

Please contact your local Intel Field Sales Representative if you have any further questions regarding the change described in this notification.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
