## Description of Change to the Customer:

As part of Intel's continuing commitment to increasing Flash Memory capacity, and to staying on the leading edge of Memory technology, the Intel StrataFlash Wireless Memory 256V/64P 1.8V stack combination will be discontinued and unavailable for additional orders after the 'Last Product Discontinuance Order Date' shown above. Customers will no longer be able to order this product after December 30, 2005, and must take delivery prior to March 31, 2006.

## Customer Impact of Change and Recommended Action:

Please review the list of product ordering codes impacted, and determine your remaining demand for these products and place your final orders prior to December 30, 2005. Orders will become non-cancelable on December 30, 2005. While there is no 'drop in compatible' replacement for these products, Intel's Flash Products Group does have a recommended replacement product. To determine a best fit solution for your application, please contact your Intel Sales representative.
