## Description of Change to the Customer:

In order to ensure a continuous supply to our customers, Intel will be qualifying a new cover tray for KC80526RZ733128 S L5SN. The new cover tray is actually the same tray that the parts are currently shipped in and meets JEDEC standards. The only difference will be that the cover tray will be empty. The cover tray will hold the units secure in the tray pocket. Please see before and after pictures below. Customer may receive either the old or new tray until existing material is depleted.
