

# Product Change Notification

## 106998 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 106998 - 00  
**Change Title:** Lanai Processors, PCN 106998-00, Transport Media, Tray Shipping Media Change  
**Date of Publication:** November 21, 2006

## Key Characteristics of the Change:

Transport Media

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Dec 21, 2006
-------------------------------------------------------------------------	--------------

## Description of Change to the Customer:

The Daewon shipping tray color for Lanai processors will be changing from dark green to black. The resin used for the dark green trays contains a pigment which has HCB (Hexacholorobenzene). This chemical is being eliminated for use by the Japanese government due to environmental considerations. This is a cosmetic change only. The black JEDEC tray is form, fit and function compatible to the previous green tray.

## Customer Impact of Change and Recommended Action:

No impact is expected with this change. The black tray will utilize the same Intel Part Number since the green color version will be obsoleted. Customers may want to notify their incoming inspection teams.

## Products Affected / Intel Ordering Codes:

Product Code	S-Spec	MM#
NQ41210 S L7JE	S L7JE	860909
QG41210 S L8DS	S L8DS	869598
NQ41110 S L93T	S L93T	878375
QG41110 S L93U	S L93U	878377
