Product Change Notification

Change Notification #: 108669 - 00
Change Title: Intel® R1000 UHF Reader Chip and Evaluation Kits, PCN 108669-00, Supplier Change for the RFID Products
Date of Publication: July 31, 2008

Key Characteristics of the Change:

Supplier Transfer

Forecasted Key Milestones:

Intel Supplier Change to Impinj Becomes Effective	Sep 15, 2008
Intel Last Order Accept Date	Sep 15, 2008
Intel Last Order Shipment Date	Sep 26, 2008

Description of Change to the Customer:

In line with the recent sale of Intel's Radio Frequency Identification (RFID) Operation and product line, this PCN is to inform you of the change in supplier from Intel to Impinj, which also constitutes a discontinued product under distribution agreements.

Please reference the attached product list which includes Active products that were sold to Impinj.

The supplier transition is targeted to begin Sept 15, 2008. Customers should refer to the attached Impinj PCN which describes the product changes and timeline they can expect.

Customer Impact of Change and Recommended Action:

The change in supplier from Intel to Impinj includes the order fulfillment support. Further details on the order transition will be communicated by Impinj. Impinj anticipates changes to mark, logo, assembly, and test during calendar year Q1'2009 which will be communicated to you directly from Impinj and their PCN process.

Customers may want to notify their purchasing department of this change.

If you have any questions please contact your local Impinj representative listed below:

Europe and America - Jacob George (jacob.george@impinj.com)
Asia and Japan - Jessie Chuang (jessie.chuang@impinj.com)

Product Change Notification #00109

Product Change Notice Type: Change to ownership, shipping location, part number marking and labeling

Product Name: Indy

Product Numbers: Indy R1000 (QFN8X8mm): IPJ-P1000

Date: August 1, 2008

This letter provides information concerning the transition of products divested from Intel to Impinj and concerns changes in order management, post sales support, distribution services and inventory plans and part labeling and marking.

The sections below outline the actions that will be followed to provide a smooth transition of business from Intel to Impinj.

1. Intel will continue to accept orders through September 15th, 2008 for shipments through September 26th, 2008. All open orders **scheduled for shipment** after September 26th, 2008, will be transitioned to Impinj from September 15th through 26th, 2008.
2. Impinj will begin accepting customer orders and shipping on September 15th, 2008. After September 26th, 2008, Impinj will be responsible for all order fulfillment of product associated with this divestiture.
3. Impinj will ship Indy chips marked with the Intel logo and part number until inventory is used, approximately Jan 2009 at the earliest.
4. Impinj Indy orders will be shipped using the Impinj part number, even though the Intel part number is marked on it.
5. Upon depletion of stock marked with the Intel logo and part number, the marking and labeling of the devices will change to reflect the Impinj name, logo and part number.

We value your business and look forward to a smooth order transition for products associated with the transition from Intel to Impinj. We want our mutual customers to know that Impinj and Intel will not move forward with any of these scheduled dates unless we are confident that the transition will happen with a minimum of disruption to our customers.

Please note all dates provided are in Pacific Standard Time zone.

Please note that Impinj is sending this letter to you on behalf of both Intel and Impinj.

Sincerely,

A handwritten signature in black ink that reads "John Quist".

John Quist
Vice President of Quality and Operations
Impinj, Inc.
