

# Product Change Notification

## 106734 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 106734 - 01  
**Change Title:** Mobile Intel® Celeron® Processor 733 MHz, PCN 106734-01, Product Discontinuance, Reason for Revision: Update information on product availability  
**Date of Publication:** September 22, 2006

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

<b>Product Discontinuance Program Support Begins:</b>	Sep 12, 2006
<b>Last Product Discontinuance Order Date:</b>	Sep 12, 2007
<b>Last Product Discontinuance Shipment Date:</b>	Mar 11, 2008

## Description of Change to the Customer:

**Reason for Revision: Update information on product availability – Intel has a limited amount of product available. Every effort will be made to meet all customer demand, however due to the limited availability, orders will be supported in the order they are received until inventory is depleted or the above milestones are met, whichever occurs first.**

Market demand for the Mobile Intel® Celeron® Processor 733 MHz has shifted to higher performance Intel® processors. The product identified in this notification will be discontinued and unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above).

## Customer Impact of Change and Recommended Action:

Please determine your remaining demand for these products and place your "Last Product Discontinuance Orders" in accordance with the "Key Milestones" listed above.

## Products Affected / Intel Ordering Codes:
