- Intel® 5500 Chipset, MM# 904728

These skus will be published on their own Product Discontinuance, Product Change Notification.

No change for Embedded Intel Architecture customers.

Intel support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to the Intelligent Systems Group for the continued support of Embedded Intel Architecture customers. The Embedded Intel Architecture terms, conditions, and pricing will go into effect for all customers after the "Last Shipment Date Prior to Product Support Change" listed above. Please contact your Embedded Intel Architecture sales representative if you have any questions regarding this change.

Customer Impact of Change and Recommended Action:

There is no expected impact to Embedded Intel Architecture customers.

For Intel Architecture customers the tray products listed on the "Products Affected/Intel Ordering Codes" table should be managed in accordance to the "Key Milestones" listed above. "Last Demand Due Date" is the date your remaining demand for these products is due to your Intel representative. These products will only remain on Intel's Corporate Assurance Process until the "Last Product Discontinuance Order Date". The "Last Corporate Assurance Product Critical Date" is the last date that customers should submit a request for product utilizing Intel's standard Corporate Assurance Criticals Process.

"Orders are Non-Cancellable and Non-Returnable" date applies to both Corporate Assurance and backlog after the "Last Product Discontinuance Order" date. At this date a snapshot will be taken of all remaining backlog and/or assurance and this quantity will become non-cancellable. The "Last Product Discontinuance Order Date" is the final day for customers who carry backlog to book the Assurance Intel has granted as of the "NCNR Date". For all customers Corporate Assurance must be booked and shipped by the "Last Product Discontinuance Shipment Date." From date of PCN publication, interim booking and turn back deadlines or separate Letter Agreements will apply vs. the standard Corporate Assurance Process.

Once product support is officially transferred to the Intelligent Systems Group, all discounts approved prior to "Last Shipment Date Prior to Product Support change" will no longer be honored.
