# Product Change Notification

**Change Notification #:** 103320 - 00  
**Change Title:** DMV160LP, PCN 103320-00, FYI, Release of new Printed Circuit Artwork into Production  
**Date of Publication:** April 20, 2004

## Type of Change Notification:

FYI - (For Your Information)

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Jun 01, 2004
<b>Date of First Availability of Post-Conversion Material:</b>	Jun 01, 2004

*The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.*

## Description of Change to the Customer:

Release of the new revision of printed circuit artwork into production. The new artwork eliminates previously required jumpers.

## Customer Impact of Change and Recommended Action:

This change has been thoroughly evaluated to ensure that it does not have any negative functional implications to our customer.

Intel will employ a "use up and go to" strategy. Orders placed against the Pre Change MM Number will be filled with the Post Change product when the Pre Change product stock has been exhausted. Customers should modify their databases in order to place orders against the new order codes. See details below.

## Products Affected / Intel Ordering Codes:

### Board Products Table

Affected Pre-Change Product Code	Pre-Change MM#	Post Change Product Code	Post-Change MM#
DMV160LP	857638	DMV160LP	855471
