Product Change Notification

Change Notification #: 109044 - 00
Change Title: Intel on behalf of Numonyx, PCN 109044-00, Product Discontinuance, Product termination of select leaded packages of Numonyx StrataFlash® Embedded Memory (P33)
Date of Publication: December 1, 2008

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

| | |
|--|--------------|
| Product Discontinuance Program Support Begins: | Dec 01, 2008 |
| Orders are Non-Cancelable and Non-Returnable After: | Mar 01, 2009 |
| Last Product Discontinuance Order Date: | Mar 01, 2009 |
| Last Product Discontinuance Shipment Date: | Dec 01, 2009 |

Description of Change to the Customer:

Numonyx will be discontinuing sales of select leaded packages for Numonyx StrataFlash® Embedded Memory (P33). Products identified in this notification will be discontinued and unavailable for additional orders after the last product discontinuance order date shown above, subject to product availability and allocation, if applicable.

Note that for all leaded packages, conversion options in lead-free packages will be available on 65nm process lithography. Customers are encouraged to consider moving to lead-free solutions.

Customer Impact of Change and Recommended Action:

Please review the list of product order codes impacted, determine your remaining demand for these products, and include your last time buy demand as part of standard demand forecasting process.

The last product discontinuance order date, listed above, is the final date for customers to submit orders up to the amount in their last time demand.

Final Non-Cancelable and Non-Returnable (NC/NR) orders must be placed prior to the last product discontinuance order date, for delivery prior to the last product discontinuance shipment dates, listed above. Acceptance of orders will be subject to product availability and allocation, if applicable.

P33 Products Affected / Numonyx Ordering Codes:

| Description | Part Number | S-Spec | MM# |
