

# Product Change Notification

## 109179 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 109179 - 01  
**Change Title:** Intel® RAID Activation Key AXXRAK18E,  
PCN 109179-01, Product Design, Update  
Factory Default Settings, Reason for  
Revision: Adding Label Change  
**Date of Publication:** February 11, 2009

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Mar 02, 2009
---	--------------

## Description of Change to the Customer:

### Reason for Revision: Adding Label Change

Following changes are being implemented for Intel® RAID Activation Key AXXRAK18E:

- 1) Change factory default settings including set stripe size to 256KB, set cache settings to direct IO, adaptive read ahead, and write back;
- 2) Replace the etched product label with a paper product label.

## Customer Impact of Change and Recommended Action:

Customers may wish to perform testing and update their documentation.
