

# Product Change Notification

## 106680 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 106680 - 00  
**Change Title:** Intel® Optical Transceivers TXN31xxx  
Products, PCN 106680-00, Manufacturing  
Site  
**Date of Publication:** August 11, 2006

## Key Characteristics of the Change:

Manufacturing Site

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Sep 10, 2006
---	--------------

## Description of Change to the Customer:

One of Intel's suppliers has moved their TOSA production line from it's Chokchai site to it's Pinehurst site, both are located in Bangkok, Thailand. A 300-hour qualification has been completed with no failure or issues identified. Intel will continue shipping units with TOSA from the other supplier until September 10, 2006

## Customer Impact of Change and Recommended Action:

Intel does not anticipate any performance, quality and reliability differences as a result of this change. Intel will start shipping units with the change 30 days after delivery of this notice.

There will be no part number or MM number change.

## Products Affected / Intel Ordering Codes:
