

Product Change Notification

109008 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 109008 - 00
Change Title: Intel® Embedded Processors, PCN 109008-00, Product Marking, Country of Origin (COO) Mark Changing from Philippines to Malaysia
Date of Publication: November 19, 2008

Key Characteristics of the Change:

Product Marking

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Dec 19, 2008
---	--------------

Description of Change to the Customer:

In order to ensure a continuous supply of the Intel® Embedded Processors listed in the Products Affected Table below, these products will be transferring to another Intel qualified assembly site. The new site is located in Malaysia. Traceability will be maintained through the Country of Origin (COO) identification code marked on the product. Products will be transferring from an Intel assembly site located in the Philippines. All material and equipment will remain the same.

Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers for this change. Customers may see products from either assembly site until current inventory is depleted. Customers may want to notify their receiving department of the change in Country of Origin marking.
