

# Product Change Notification

## 107918 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 107918 - 01  
**Change Title:** SR1500 Based Systems, PCN 107918-01,  
Product Design, Class 2, Power supply change  
to increase power factor, Reason for Revision:  
Previous TA# not completed  
**Date of Publication:** October 10, 2007

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Nov 16, 2007
---	--------------

## Description of Change to the Customer:

### Reason for Revision: Previous TA# not completed

Intel is changing power supply resistors to increase the power factor from 0.7 to 0.9. This change has been fully tested and confirmed to meet Intel's validation requirements.

## Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers, see PCN detail for further information. TA# will be updated in a later PCN revision.
