

# Product Change Notification

**Change Notification #:** 119678-00

**Change Title:** Intel® NUC 13 Pro Kit and Intel® NUC 13 Pro Mini PC SKUs,  
PCN 119678-00, Label, Product Design  
Rating label update and L10 New OS image

**Date of Publication:** September 14, 2023

## Key Characteristics of the Change:

Label, Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material</b>	October 27, 2023
--	------------------

## Description of Change to the Customer:

The Intel SKUs listed in the products affected table will have the following changes.

1. Update L10 SKUs Operating System image to May CI release
2. Update the rating label for CEC and Mexico IFETEL ID for certain SKUs
3. Update the rating label for BSMI/CONATEL/ICASA/Mexico IFETEL ID for certain SKUs

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
