

# Product Change Notification

**Change Notification #:** 119688-00

**Change Title:** Intel® Stratix®10 (MX & NX) SKUs,  
PCN 119688-00, Product Discontinuance,  
Product End of Life

**Date of Publication:** September 29, 2023

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

<b>Last Product Discontinuance Order Date</b> <sup>(1)</sup>	March 31, 2024
<b>Last Product Discontinuance Shipment Date</b> <sup>(2)</sup>	March 31, 2029

### Order Terms:

<sup>(1)</sup> Orders will become non-cancellable, non-returnable after the Last Product Discontinuance Order Date.

<sup>(2)</sup> Customers are allowed to reschedule 6 months before Last Product Discontinuance Shipments Date.

Customers are advised of a price increase beginning 2026 for any remaining backlog orders not shipped during the period.

## Description of Change to the Customer:

This is the same product discontinuance notice described in PDN2302 issued on September 30, 2023.

Intel is discontinuing the following Intel® Stratix®10 Field Programmable Gate Array (FPGA) product generations:

- Intel® Stratix®10 MX with 16 GB (8H) HBM2 DRAM memory
- Intel® Stratix®10 NX with 16 GB (8H) HBM2 DRAM memory

## Customer Impact of Change and Recommended Action:

Customers are advised to perform a last time buy on or before the Last Product Discontinuance Order Date on the ordering part numbers (OPNs) impacted by this discontinuance notice. There are no replacement devices available.

For more information and assistance, please contact Sales or Customer Service in your region.

## Products Affected/Intel Ordering Codes:

The list of affected Ordering Part Numbers (OPNs) can be downloaded here:

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
