Product Change Notification

Change Notification #: 103119 - 00
Change Title: CPI400B, CPI200B, PCN 103119-00, FYI, Product Upgrade to allow fax reception at 33.6Kbps
Date of Publication: February 14, 2003

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Product Design

Forecasted Key Milestones:

	CPI400B2	CPI200B2
Date of First Availability of Post-Conversion Material:	Feb 28, 2003	Jul 31, 2003

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

Upgrade of the CPI400B and CPI200B Fax Products with CPI400B2 and CPI200B2. The B2 products provide improvement in reception speed to 33.6 Kbps over capability of CPI400B and CPI200B which is 28.8Kbps. New Product Codes are listed below.

Customer Impact of Change and Recommended Action:

No negative impact to customer applications. This change has been thoroughly evaluated to ensure there are no functional implications to our customers.

Intel will employ a "use up and go" strategy. Orders placed against the CPI400B or CPI200B will be fulfilled until supply lasts, after that, orders will be fulfilled with CPI400B2 and CPI200B2 products. CPI400B2JP is currently being shipped. Customers should modify their databases in order to place orders against CPI400B2 and CPI200B2 models using the new order codes. See details below.

Products Affected / Intel Ordering Codes:

Board Products Table

Affected Pre-Change Product Code	Pre-Change MM#	Post Change Product Code	Post-Change MM#
CPI200B	838443	CPI200B2	853741
CPI200B	841742	CPI200B2	853741
