

Product Change Notification

103510 - 00

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel® products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel® products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geography location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 103510 - 00
Change Title: New Reel for Several Intel Products, PCN 103510-00, FYI
Date of Publication: September 17, 2003

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Transport Media

Forecasted Key Milestones:

Date of Qualification Data Availability:	Oct 17, 2003
---	--------------

Description of Change to the Customer:

In order to offer a more environmentally friendly plastic reel, Intel will be converting their existing reel for the products listed below to one using recycled material. The recycled material contains a 50/50 ratio of virgin material mixed with regrind material. The new reel meets all the requirements of Electronic Industries Alliance (EIA) standards. Material properties are within industry spec limits. This change does not affect form, fit, or function of the product. However, customers will notice a change in color of the reel. The current reel is white while the new reel will be black. Please see picture below. Customers may continue to see both reels until current inventory is depleted.

Customer Impact of Change and Recommended Action:

Intel anticipates no customer impact due to this change.
