Product Change Notification

Change Notification #: 109844 - 00
Change Title: Intel® EP80578 Integrated Processor, PCN 109844-00, Transport Media, Conversion from Tape and Reel to Tray
Date of Publication: February 25, 2010

Key Characteristics of the Change:

Transport Media

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	May 27, 2010
---	--------------

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

In order to provide a more stable handling environment for the Intel® EP80578 Integrated Processor, Intel can begin shipping this product in trays instead of tape and reel according to milestones above. There is no change to the product itself

Customer Impact of Change and Recommended Action:

Customers to expect to receive SKU on Tape/Reel until existing inventory is exhausted then transition to Tray. Customers need to make sure that their equipment is in place to receive this product in tray form. The product itself has not changed.

Products Affected / Intel Ordering Codes:

Marketing Name	Frequency	Stepping	Pre Conversion Product Code	Pre Conversion S-Spec	Pre Conversion MM#	Post Conversion Product Code	Post Conversion S-Spec	Post Conversion MM#
