Description of Change to the Customer:

Discontinuance of D42NE2PCI and D42NE2PCIJP boards. Products are being discontinued due to component obsolescence issues. Specific Product Codes being retired are listed below.

Customer Impact of Change and Recommended Action:

Please determine your remaining demand for the affected products and place orders in accordance with the key milestones listed. A last time purchase has been made for the obsolete components. The board product Last Time Buy Date of June 30th 2007 has been determined by the projected depletion of the parts at the time of the PCN publication. Variation in demand will affect the Last Order Date.

These products will no longer be supported after December 31, 2007. End of Support is defined as the date after which the following support services are no longer available:

- Software availability - download and ordering
- Telephone, email and web support for affected product(s)
 - Customers will be directed to migration product
- Active reproduction of customer-reported issues
- Installation and configuration support
- Technote and application note creation and maintenance
- Issue entry and tracking via issue management tool
- Defect entry. Fixes for unresolved defects will not be pursued nor released in Point or Service Packages, or in a product revision.

- No new Feature Requests will be accepted.

The End of Support date does not impact the terms of any stated hardware product warranty that governs product repair service.

Contact your sales representative for migration information and/or any issues you may have with this Product Discontinuance Plan.
