

Product Change Notification

Change Notification #: 818415-00

Change Title: Intel® Laminar RS1 Cooler,
PCN 818415-00, Product Discontinuance,
End of Life

Date of Publication: March 20, 2024

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Product Discontinuance Program Support Begins:	March 20, 2024
Product Discontinuance Demand To Local Intel Representative:	June 28, 2024
Last Product Discontinuance Order Date:	September 27, 2024
Orders are Non-Cancelable and Non-Returnable After:	September 27, 2024
Last Product Discontinuance Shipment Date:	December 27, 2024

Description of Change to the Customer:

Intel is announcing the discontinuance of the Thermal Solution Product/s listed in the "Products Affected/Intel Ordering Codes" table below .

Please determine your remaining demand for this product and place your last product discontinuance orders in accordance with the key milestones in this PCN.

Customers should place their Last Time Orders while supplies last by September 27, 2024. If supplies are still available, delivery of all orders must be taken no later than December 27, 2024.

Customer Impact of Change and Recommended Action:

Products listed in the "Products Affected/Intel Ordering Codes" table should be managed in accordance with the "Key Milestones" outlined above. The "Last Product Discontinuance Order Date" marks the final opportunity for customers with backlog to place orders approved by Intel as of the "Orders are Non-Cancellable and Non-Returnable After" (NCNR) date. The NCNR date pertains to any remaining backlog and/or orders following the "Last Product Discontinuance Order Date." Interim booking and turnaround deadlines or separate Letter Agreements will be applicable from the date of PCN publication, rather than following the standard Corporate Assurance Process.

Please contact your local Intel Field Sales representative if you have any further questions about this End of Life notice.

Products Affected/Intel Ordering Codes:

Marketing Name	Product Code	S SPEC	MM#
Intel® Laminar RS1 Cooler, Bulk	BXTSRS1	S	99ATLF

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
