Product Support

Forecasted Key Milestones:

Last Demand Due Date to Local Intel Representative Prior to Product Support Change	October 04, 2024
Last Order Date Prior to Product Support Change	January 24, 2025
Orders are Non-Cancelable and Non-Returnable After	January 24, 2025
Last Shipment Date Prior to Product Support Change	July 25, 2025

Description of Change to the Customer:

No change for Intel Embedded Architecture customers.

Intel support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to Intel Embedded Architecture for the continued support of Intel Embedded Architecture customers. The Intel Embedded Architecture terms, conditions, and pricing will go into effect for all customers after the "Last Shipment Date Prior to Product Support Change" listed above. Please contact your Intel sales representative if you have any questions regarding this change

Customer Impact of Change and Recommended Action:

There is no expected impact to Intel Embedded Architecture customers.

For Intel Architecture customers the products listed on the "Products Affected/Intel Ordering Codes" table should be managed in accordance to the "Key Milestones" listed above. Please make purchase decisions accordingly. The Key Forecasted Milestones do not apply if you have a superseding written agreement with Intel specifying other dates. "Product Discontinuance Demand to Local Intel Representative" is the date your remaining demand for an affected product is due to your Intel representative. The "Last Product Discontinuance Order Date" is the last date Intel will accept orders for an affected product under Intel's standard ordering and supply-allocation processes. "Orders are Non-Cancelable and Non-Returnable After" (NCNR) the last date on which you may cancel an order or return an affected product. Both new orders and existing, unfilled orders (i.e., your backlog) will become non-cancelable.

All affected products, whenever ordered, will become non-returnable after the NCNR Date. "Last Product Discontinuance Shipment Date" is the last date Intel will ship an affected product under Intel's standard ordering and supply-allocation processes.

Once product support is officially transferred to Intel Embedded Architecture, all discounts approved prior to "Last Shipment Date Prior to Product Support change" will no longer be honored.

Please contact your local Intel Field Sales Representative if you have any further questions about this product change notice.
