

Product Change Notification

Change Notification #: 855355-00
Change Title: Select Intel® Ethernet Network Adapters
Change Detail: End of life
Date of Publication: May 27, 2025

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	November 28, 2025
Orders are Non-Cancelable and Non-Returnable After	November 28, 2025
Last Product Discontinuance Shipment Date	February 28, 2026

Description of Change to the Customer:

The Intel SKUs listed in the products affected table will End of life

Customer Impact of Change and Recommended Action:

A component part used to manufacture the products in the “Products Affected” table has been discontinued and Intel does not guarantee fulfillment of any last time buy orders.

It is recommended that customers place their last time orders as soon as possible due to limited availability of component parts.

Customers should place their Last Time Orders by November 28, 2025 and delivery of all orders must be taken no later than February 28, 2026.

Customers can modify or cancel their orders up until the Last Order Date of November 28, 2025. Non-Cancelable, Non-Returnable (NCNR) terms apply to all shipments after November 28, 2025.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
