

Product Change Notification

Change Notification #: 858946-01

Change Title: Select Intel Atom® Processors C3314, C3324, C3364, C3534, C3544, C3734, C3754 and C3934

Reason for Revision: Extending PCN Milestone Dates for Customers

Change Detail: End of Life

Date of Publication: March 25, 2026

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	October 15, 2026
Orders are Non-Cancelable and Non-Returnable After	October 15, 2026
Last Product Discontinuance Shipment Date	June 09, 2028

Description of Change to the Customer:

Reason for Revision: Extending PCN Milestone Dates for Customers

Customer Impact of Change and Recommended Action:

Customers should plan a Last Product Discontinuance Order Date of October 15, 2026 or sooner, if possible, with a Last Product Discontinuance Shipment Date of June 9, 2028.

Intel may do a last time build for customers. If a formal revision to this PCN is needed, Intel will revise this PCN with any updated information.

For standard Product Shelf Life, please refer to the attached published PCN113675-00 as well as JEDEC Spec (J-STD-033D).

Please contact your local Intel Field Sales Representative if you have any further questions about the product transition or End of Life process.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
