

Product Change Notification

Change Notification #: 861675-00
Change Title: Intel® Xeon® 6 Processor
Change Detail: End of life
Date of Publication: August 04, 2025

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Product Discontinuance Program Support Begins	August 04, 2025
Last Product Discontinuance Order Date	November 14, 2025
Orders are Non-Cancelable and Non-Returnable After	November 14, 2025
Last Product Discontinuance Shipment Date	May 15, 2026

Description of Change to the Customer:

Market demand for Intel Xeon 6979P listed in the "Products Affected/Intel Ordering Codes" table below has shifted to Intel® Xeon® 6978P MM# 99D7V7 Product Code PK8072007150900 Spec Code SA2YL. Intel Xeon 6978P supports all capabilities of Intel Xeon 6979P with additional profiles. Intel Xeon 6978P is now available for ordering. Intel Xeon 6979P will be discontinued and unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above).

Customer Impact of Change and Recommended Action:

The products listed on the "Products Affected/Intel Ordering Codes" table should be managed in accordance to the "Key Milestones" listed above. Please make purchase decisions accordingly. The Key Forecasted Milestones do not apply if you have a superseding written agreement with Intel specifying other dates. The "Last Product Discontinuance Order Date" is the last date Intel will accept orders for an affected product under Intel's standard ordering and supply-allocations processes. "Orders are Non-Cancelable and Non-Returnable After" (NCNR) the last date on which you may cancel an order or return an affected product. Both new orders and existing, unfilled orders (i.e., your backlog) will become non-cancelable. All affected products, whenever ordered, will become non-returnable after the NCNR Date. "Last Product Discontinuance Shipment Date" is the last date Intel will ship an affected product under Intel's standard ordering and supply-allocations processes.

Please contact your local Intel Field Sales Representative if you have any further questions about this product change notice.

Products Affected/Intel Ordering Codes:

Marketing Name	Product Code	Spec Code	MM#	Recommended Replacement Product Code	Recommended Replacement Spec Code	Recommended Replacement MM#

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
