

Product Change Notification

Change Notification #: 869847-00

Change Title: Select Tray and Boxed 12th Generation Intel® Core™ i3, i5, i7, i9 Processors, Intel® Celeron® Processor G Series, Intel® Pentium® Gold Processor Series

Change Detail: End of life

Date of Publication: January 06, 2026

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

| Milestone Description | Tray | Boxed |
|---|------------------|------------------|
| Product Discontinuance Program Support Begins | January 06, 2026 | January 06, 2026 |
| Product Discontinuance Demand To Local Intel Representative | April 10, 2026 | N/A |
| Last Product Discontinuance Order Date | July 24, 2026 | July 24, 2026 |
| Orders are Non-Cancelable and Non-Returnable After | July 24, 2026 | July 24, 2026 |
| Last Product Discontinuance Shipment Date | January 22, 2027 | January 22, 2027 |

Description of Change to the Customer:

Market demand for the products listed in the "Products Affected/Intel Ordering Codes" table below have shifted to other Intel products. The products identified in this notification will be discontinued and unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above).

Customer Impact of Change and Recommended Action:

The products listed on the "Products Affected/Intel Ordering Codes" table should be managed in accordance to the "Key Milestones" listed above. Please make purchase decisions accordingly. The Key Forecasted Milestones do not apply if you have a superseding written agreement with Intel specifying other dates. "Product Discontinuance Demand to Local Intel Representative" is the date your remaining demand for an affected product is due to your Intel representative. The "Last Product Discontinuance Order Date" is the last date Intel will accept orders for an affected product under Intel's standard ordering and supply-allocations processes. "Orders are Non-Cancelable and Non-Returnable After" (NCNR) the last date on which you may cancel an order or return an affected product. Both new orders and existing, unfilled orders (i.e., your backlog) will become non-cancelable. All affected products, whenever ordered, will become non-returnable after the NCNR Date. "Last Product Discontinuance Shipment Date" is the last date Intel will ship an affected product under Intel's standard ordering and supply-allocations processes. Please contact your local Intel Field Sales Representative if you have any further questions about this product change notice.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
